January 2020

Greetings Everyone,

I can't believe it is almost February. The 2020 camp season will be here soon. Last year's camp season was great. We saw an increase of campers, and God moved in their lives! This year we will again have the Junior and Senior campers together each week, which opens up more opportunities for both Junior and Senior campers to come to camp.

I have been working on scheduling staff for this summer. I appreciate each of you, who have sacrificed your time in the past to come serve, and I hope that you will pray about coming back this camp season!

I'm excited that for the second year we will begin the camp season, with a week long intensive volunteer training from June 1-5. We will be going in depth learning about: issues the campers may have, sharing the Gospel, and how to be a facilitator on the new Low Ropes Course. I am working to get trainers for a Life Guard training and CPR class. Please make this training a priority and notify me quickly if you can attend. We will have a condensed training time on Friday night at 5:00 through Saturday about 2:00, June 5-6. But the weekend training will not have the CPR & Life Guard training, or some of the other important classes. As always, if you don't make it to either of these, there is the really short Sunday evening class after our meal time at 6:00 pm (but you will miss out on so much). Coming to the weeklong training will be the biggest benefit to help you, as you serve at SSBC this summer! Everyone needs to attend one of these training sessions this year, before serving.

Since we will have both Junior and Senior campers here each week, please let me know if you are led to work with the Senior or the Junior Campers. Past years Senior Camper Counselors will have preference, and they will be assigned as needed. The Senior Camper Counselors will also have a more active role in teaching with the Senior Campers. All LIT's and Helper's will work only with the Junior Campers.

For the protection of the campers, we will be running background checks through the Missouri State Highway Patrol Automated Criminal History site. This is only for volunteers who are 18 and older. If you have a current year background check through your church or employment, please send me a copy of this and it will suffice. The fee for a background check has gone up to \$14.00 While we do not want this to be a deterrent to your coming to help, we would appreciate anyone who will pay the cost of their background check to submit a check with your form. If you cannot, we understand and the camp will bear this cost.

The enclosed form has the information for the dates that you can work, and the information we need to conduct the background check if you are 18 years old or older. This form is not used for any other purpose and kept securely.

I look forward to seeing each of you at camp this summer.

God bless you,

Tracy S. Guppy
